We would like to take the opportunity to invite all parents/carers of Year 11 students at St Margaret's CofE Academy to take part in our **Virtual Open Evening** at **West Kirby Grammar School**. This event will take place on:

Wednesday 4th November 2020, 18:00-19:30

West Kirby Grammar School has a successful Sixth Form where students achieve outstanding results, receive excellent advice and guidance and enjoy first-class pastoral support.

Applications are welcomed from both female and male students who studied at other schools for their GCSEs. Approximately 40 -50 new students join West Kirby's Sixth Form each year. New students flourish and enjoy studying at West Kirby. They are elected to be school officers and participate fully in the wider life of the school.

We look after new students and ensure that they are well supported in their first few weeks in the school. The induction programme is an exciting and fun way to be introduced to Sixth Form life at West Kirby and a great way to make new friends.

West Kirby Grammar School is located in the heart of West Kirby with excellent rail and bus links to the Wirral, Cheshire and Liverpool areas. We provide a dedicated bus service for students to destinations on the Wirral, Cheshire and North Wales.

To find out more about what West Kirby Grammar School Sixth Form has to offer, please visit our website at: <https://wkgs.org/prospective/sixth-form>
