Games Careers Week

26th March – 2nd April 2021

A free online festival to inspire people from every background to discover careers in one of the UK's fastest growing creative sectors – video games.

Discover well-paid, exciting and challenging careers in games. Learn how games are made and how to start careers in games

Get involved with online events including:

- Careers talks
- Games studio open events
- University careers shows
- Careers fair, awards shows and conference
- Games development classes
- Talks, workshops and exhibitions at the National Videogame Museum
- Portfolio pitch events
- The Games Education Virtual Summit

More information can be found [here](#).

Our Google UK Apprenticeships are now open for applications!

We're excited to announce that applications are open for UK apprenticeships! Apprentices become an integral part of their team while at Google, and also gain Level 3 or 4 apprenticeship qualifications over the course of their work and study.

The three programs we offer are:

Digital Marketing Level 3 Apprenticeship You will join a Sales or Marketing team at Google, and help define, design, and implement campaigns across a variety of platforms, gaining exposure to different Google products, and leveraging the power of Google data to help companies to solve their business challenges

Infrastructure Technology Level 3 Apprenticeship IT apprentices at Google gain exposure to roles such as IT Support and AV Engineering. You'll have the chance to pick up new skills, from troubleshooting across multiple platforms, data gathering and analysis, remote infrastructure, IT security and more, while learning how to apply your knowledge to solve real life problems.

Software Development Level 4 Apprenticeship This program aims to provide the skills you need to become a software development professional. You'll work alongside teams of Googlers, solving real problems and gaining exposure to different roles across the company, including coding, development, testing and project management.

Visit g.co/buildyourfuture for more information and to apply before 1 April 202

Amazing Apprenticeships

Watch RAF careers webinar

Students, parents and teachers can now catch up on the RAF careers webinar. Hear from RAF apprenticeship ambassadors from a wide range of professional areas including engineering, intelligence, aircrew and many more. Watch the recording [here](#)

New Parent Podcast launching

Amazing Apprenticeships and Not Going To Uni will launch a podcast in the summer to tackle the challenges parents and carers are currently facing in supporting their children with career advice and guidance. Find out [more](#).

Deloitte BrightStart Apprenticeships - Consulting

Deloitte are excited to be opening up applications later this month for a range of Consulting roles that form part of their BrightStart Apprenticeship programme. Consulting is about making positive change happen with roles available in **Belfast, Bristol, Edinburgh, London and Manchester** all starting in September 2021. Apprenticeship programmes include: Business Operations, Deloitte Digital and Enterprise, Technology & Performance.

Festival of Opportunity

Designed to help you explore the range of Consulting roles available wherever you are, the online festival features a line-up of inspiring, live, interactive events - all focused on Consulting. Events run throughout **March and April**. To attend, simply register for the events you want to join! The festival will include:

- **Immersive Discover Sessions:** Participants can take part in Deloitte's Consulting themed escape room, book a chat with student recruitment in the virtual cafe room or chat directly to current apprentices.
- **Consulting Skills Workshops:** These sessions will support BrightStart applicants in developing key skills needed to achieve success in Consulting. Sessions will include Growth Mindset, Information Gathering and Personal Brand.
- **Meet Consulting:** A unique chance to hear from a range of employees each Consulting business area. Gain an insight into career opportunities and a clearer understanding of what this business area involves.
- **Interactive Consulting Case Study:** In groups, participants will be able to assess and analyse a case study and get hands on experience at presenting back as a team. There will also be the chance to put questions to Deloitte's Consulting business representatives.

Follow the link below to find out more Consulting at Deloitte as well as key information to help increase your understanding of this business area. In addition, fill out the **Register Your Interest Form** to receive the latest updates from Deloitte.

Chester University

Designed for Year 12 and first-year vocational college students who are considering university, our online [Taste of University](#) event in July 2021 gives students an overview of the options and pathways available to them at University.

Students will attend online lectures and workshops over three days, **Tuesday 6th - Thursday 8th July**, that will increase their knowledge of every aspect of the university decision-making and application process, and higher education itself.

Each day will have a different focus, and attendees will receive a wide range of information and be able to participate in activities, meet with staff and students and find out more about;

- their preferred subject area
- potential career pathways
- the courses that relate to that subject area
- how their course is taught and the differences between college and university learning
- student life
- the support available at university
- finance
- entry-criteria
- decision-making and the UCAS process

The subjects sessions we are offering at this year's event are:

Art and Design	English	Media	Music
Business and Management	History and Archaeology	Modern Languages	Performing Arts

This **FREE** event, is a unique opportunity for your students to increase their confidence when considering the next phase of their education and beyond. Students can find out more and register their interest via our event page: <https://www1.chester.ac.uk/events/taste-university-2021?list=7402>

Medicine with a Gateway Year - Q&A Webinar

Are you in Year 12 and interested in studying medicine at university?

Did you know that there are multiple course types for medicine, including gateway years for students who meet certain socioeconomic or educational eligibility criteria?

The Medical Schools Council has organised a Q&A webinar where prospective applicants in Year 12 can find out more about what gateway years involve from medical students who have taken a gateway year and progressed onto a medicine course.

This webinar is suitable for students in Year 12 with an interest in studying medicine.

Q&A Webinar on Wednesday 24th March

We are pleased to announce that applications for the M&G 2021 Apprenticeship Programme are now open!

We have a selection of business and technology roles available across Stirling and Edinburgh.

We recognise that university isn't for everyone. We need people who are eager to get started and want to do something interesting and exciting.

- We are looking for enthusiastic, professional, hardworking individuals who are
- willing to learn and are determined to succeed.
- Candidates must be 16 years or older with a minimum of 5 National 5 grades
- A - C including Maths and English (or relevant work experience).
- Apprentices will follow 12-18 months Apprenticeship Frameworks (joining the business from September).
- This is a fantastic opportunity for young people to start their professional business career in a thriving financial services industry with multiple benefits including a competitive salary.

Please be advised the closing dates for applications is **Friday 16th April 2021.**

For any queries please contact us at apprenticeship@mandg.com

We are pleased to announce that applications for the M&G 2021 Apprenticeship Programme are now open.

Join our Virtual Applicant Day at Liverpool Hope University

Each year we welcome school groups onto campus for our Applicant Days, the past year has been very different, however we don't want you to miss out on this experience. The days are designed for students to discover their subjects of interest in more depth, speak to lecturers who teach on the course as well as gaining insight into life as a Liverpool Hope student.

Our next Virtual Applicant Day is Friday 26th March and will run from 1pm-5.30pm. If you are either interested in or have applied for a subject at Liverpool Hope we would love for you to attend this event.

Tours of our campus and facilities give a real taste of what it would be like to live and study at Liverpool Hope and virtual tours of both our Hope Park and Creative Campus will run throughout the day.

For further booking information please email outreach@hope.ac.uk

We're excited to share details of a competition being run by our SODA, our new School of Digital Arts at MMU opening in September. It's a great opportunity for your students to showcase their work in our virtual exhibition space.

Our current competition, 'See yourself in SODA' is an amazing chance to showcase your work in the virtual exhibition space in our brand-new School of Digital Arts (SODA) at Manchester Metropolitan University, opening in September 2021.

We're looking for work that reflects your current interests and future ambitions. You can submit an existing piece of work or something created especially for the competition.

Free and open to anyone, we would love you to get involved.

You can submit your work to us by sharing on Instagram, Facebook or Twitter and using [#SODAcamp](#) . Get the full details from [our website](#).

Your work, our space. Show us what you've got.

Open to all, we look forward to seeing your contributions.
