

Fine Art CURRICULUM: KS4

Intent

We believe that at St. Margaret's Art and Design offers the opportunity to empower all students in expressing their ideas, thoughts and feelings in an ambitious and creative manner. We establish relevant, coherent links with the world in which we live, ask (and begin to answer) thought-provoking questions, making connections across other subject areas. We support, engage and challenge all students, equipping them with a knowledge-rich understanding and the skills to experiment, invent and create their own works of art, craft and design.
