

Our Ref: 161 14

13th November 2014

Dear Parent/Carer

I am writing to you to draw your attention to the extra curricular support offered by the Science Department as per the timetable below. All pupils have been informed of this support by their class teachers and form tutors.

Day	Lunch time	After school
MONDAY		Chemistry GCSE -FMC room 10
TUESDAY	GCSE SCIENCE CLINIC <i>Anyone in y 10 or 11 can drop in to get help with a particular topic, ask about something they are unsure of or to study in peace and quiet.</i> FMC room 10 GCSE Biology drop in -SJL	Physics GCSE -MCO room 16
WEDNESDAY		GCSE Biology drop in -NMC

I would also like to inform you that all GCSE pupils have access to the textbooks for their course online through the website "Kerboodle". They should be using this to support their own independent revision. They have all been shown how to access this but to help you support your son the details are as follows:

www.kerboodle.com

Username: first initial and surname in lower case e.g. asmith

Password: same as username

Institution code: re1

I'm sure you appreciate the importance of being well prepared for examinations and I thank you for your support.

Yours sincerely

Miss F McConvery
Head of Science
