25th November 2015

Dear Parent/Carer

Year 11 Apprenticeships Open Evening– Tuesday 1st December 2015

As a school we are keen to offer our students valuable hands on experience in different careers so they are able to make a more informed decision when they come to deciding upon a profession and especially those with an interest in a career within STEM.

Jaguar Land Rover, the UK's largest automotive apprenticeship provider is currently running its 2016 apprenticeship recruitment campaign. The award-winning apprenticeship programme provides students with a strong blend of real world experience and academic learning. Applicants can choose from either the 4 year Advanced Apprenticeship aimed at GCSE students or the six year Higher Apprenticeship aimed at A-Level entrants. In both cases, recruits can look forward to working alongside world-class engineers, in cutting edge product development and manufacturing environments developing vehicles for two of the most iconic global motoring marques.

On Tuesday 1st December, Halewood Operations is running an Apprentice Open Evening, so young people who meet the recruitment criteria can find out more about Advanced and Higher Apprenticeships. During the event, young people will meet apprentices, find out more about the application process, ask questions about the apprenticeships and also have the chance to try some hands-on activities to get an insight into engineering careers. Your son has expressed an interest in attending this event.

The evening will be held at Jaguar Land Rover, Halewood. Students will need to assemble at the schools main entrance hall at 4.30pm. We will then travel on the school mini bus to the site and are due back in school at 6.00pm. students will be accompanied by Mr Jones and Miss Lalgee.

Student should wear their uniform and we do still expect the highest standards of discipline and effort and look forward to an informative and successful evening.

If you require any further information please contact Mr Jones or Miss Lalgee at St. Margaret's C of E Academy.

Yours faithfully

Mr Jones Miss Lalgee
