

Our Ref: 116 15

9th September 2015

Dear Parents/Carers

Your son has been selected to take part in an intervention programme. This programme is called 'Talking Partners' and a guide to the intervention has been included with this letter.

Your son will be included in the intervention programme for a total of one hour and 20 minutes per week. This will mean that he will miss normal school lessons which he will be expected to catch up on.

The lesson which the programme will take place on is:-

Week One	
Week Two	

Please complete and return the reply slip below (by the end of next week) indicating whether or not you wish your son to take part in this programme.

Thank you for your continued support of our school.

Yours sincerely

Mrs K Pritchard
SENCO
