7th January 2015

Dear Parent/Carer

We have arranged for GRACE family church to deliver some drug awareness workshops to students in Year 8. They are only able to accommodate 30 students per session, therefore we have arranged for this group to be our **Religious Studies 8 set 1**. This will take place during February and March within their Learning for Life sessions which take place on a Tuesday morning.

In order for all students within Year 8 to receive drug education and awareness, we have arranged alternative workshops with an organisation called RUSH.

This letter is to simply inform you of why there are two different education programmes within Year 8.

If you have any questions regarding this programme please do not hesitate to contact me on my school email hkinloch@stmargaretsacademy.com

Thank you for your continued support of our school.

Yours sincerely

H Kinloch
Head of Learning for Life
