

Our Ref: 061 15

27th April 2015

Dear Parent/Carer

Year 9 Survitec Make It Enterprising Challenge - 7th May 2015

As a school we are keen to offer our students valuable hands on experience in different careers so they are able to make a more informed decision when they come to deciding upon a profession and especially those with an interest in a career within STEM.

The Make It Enterprising Challenges are one-day events held across the North West. The boys will be asked to create a new safety/survival product for their own manufacturing business. They will be judged on their understanding of the design brief, the successful completion of key tasks and their enterprising skills and qualities. The winning team from our heat will go on to represent their school at the Grand Final in September 2015.

The competition will be held at the grounds of Liverpool Football Club on Thursday 7th May. Students must assemble in the school main entrance hall at 8.50am. We will then travel on the school minibus to the ground and are due back in school at 3.30pm. Students will be provided with lunch and refreshments throughout the day. The cost of entry to the competition is free, however we ask if you can voluntarily contribute £2.00 towards the travel costs of this trip, thank you. The staff accompanying the students will be Miss Lalgee and Mr Burns.

We seek your permission to photograph your son during the activities to be used by St. Margaret's for publicity purposes only. Therefore, students would be expected to attend the event in full uniform. If you consent to your child attending the visit and the photographs being taken, please complete and return the reply slip below along with the payment. As always, we expect the highest standards of discipline and effort and look forward to a successful and enjoyable day.

If you require any further information please contact Miss Lalgee or Mr Burns at St. Margaret's C of E Academy.

Yours faithfully

Miss S Lalgee
Teacher of Science
