10<sup>th</sup> March 2016

Dear Parent/ Carer

**One-Day Schools in Physics 2016 – A Level Physics Students**

I am pleased to inform you that a very interesting and exciting opportunity has been arranged for A-Level Physics students. On Monday 21<sup>st</sup> March 2016, students will be visiting Manchester University for a lecture series.

The event has been organised as it covers many elements within the AQA Physics specification, specifically Elementary Particle Physics and Quantum Phenomena. This day-long workshop will include lectures on the hunt for Earth-2, the hunt for the Higgs, Blood, Guts and Lasers and Life, Death and the Universe. These lectures will be delivered by University of Manchester lecturers.

Students will be required to assemble in the school entrance hall for 7:45am in order to arrive in Manchester by 9:00 am. Own clothes may be worn. The day finishes at 4:00pm and we will travel back to school for around 5:00pm when students will be dismissed. Students will also be required to make their own lunch arrangements either in the form of a packed lunch or money to use in the University / surrounding shops at a reasonable cost.

For this visit to take place the school asks for a voluntary contribution of £13 to cover travel costs. If the voluntary contributions do not cover the cost of this trip, we regret it may have to be cancelled. Please complete and return the reply slip below, together with the appropriate cash or cheque (made payable to **St Margaret's School Fund**) in the enclosed sealed envelope by **Friday 18<sup>th</sup> March 2016**.

Should you have any queries, please do not hesitate to contact me at the school.

Yours faithfully

**Mr M Cousins**  
**Head of Post-14 Physics**
