Dear Parents/Carers

As part of the Y13 Film Studies course, we are studying a contemporary German film called *Victoria* for the 'Specialist Study: Empowering Women' section of the examination. We have secured tickets for a screening of the film at FACT in central Liverpool, which is part of the national *Into Film* festival, on November 9th between 10:00am and 12:30pm. There is no charge for the tickets.

Students should come to school and register with their form tutors as normal. Students will then be driven into Liverpool on the school minibus and returned to school after the screening. I will be accompanying the students on this trip.

One of the lessons the students will be missing is Film Studies, but for any other lessons, students will have to complete a '*Leave of Absence*' form at school and make sure that they catch up on any work missed while we are at the screening.

If you have any questions or concerns about this trip, please do not hesitate to contact me at the school.

Yours faithfully

Dr D Silverstone

Assistant Principal and Teacher of English/Film
