Dear Parent/Carer

Pupil Premium/SEND Coffee Morning – Tuesday 26th November 2019 at 9.00am

We hope your son is now well settled into this academic year.

New to St Margaret's in 2017 was our Parents Coffee Mornings, held in our chapel. These included ways to help and support your son with his learning/homework or general advice for parents.

You are warmly invited to come along to our first one this year on Tuesday 26th November at 9.00am for a cuppa and a chat with staff from the Pastoral team, including myself. I will be happy to discuss the many benefits of your son being a pupil here at St Margaret's, and explain how we access and use the Pupil Premium funding to support your son's education.

You can also share with us any concerns you may have regarding your son.

Coffee Mornings are a great way to meet other parents and feel involved and up to date with what's happening here at St Margaret's Church of England Academy.

Yours sincerely

Mrs Andrea Penketh
Vice Principal
