Dear Parent/Carer

Year 12 Geography Fieldwork

On Friday 5th July we intend to undertake a field study day for Year 12 Geographers in preparation for the fieldwork component of the A Level examination. This work will take place in Liverpool City Centre and forms a requirement for the course.

Students will be expected to make their own way to the meeting place (the former Post Office building at the bottom of Bold Street) for 9am and they will be dismissed from Liverpool City Centre at the end of the school day. Students should bring a packed lunch or money to purchase a lunch on the day.

All fieldwork tasks will take place in an urban setting and the candidates should be dressed suitably for the conditions.

Yours faithfully

Mr P Pinnington
