3rd June 2019

Dear Parent/Carer

RE: Faraday Challenge - 12th June 2019

I am delighted to inform you that your son has been chosen to take part in the Faraday challenge on June 12th at Daresbury Laboratories. The Faraday Challenge Days give students the opportunity to research, design and make solutions to genuinely tough engineering problems. This is an exciting opportunity for our top science students to work as a team, learn about Science and Engineering and compete against other schools for a prize.

The trip will take place on **Wednesday 12th June**. There is no cost for the trip. The students will leave at 8:30 on the school minibus and return at 3:45. Students are required to wear school uniform on the day and to each bring a pencil case with the usual equipment. They also need to bring a packed lunch as there will be nowhere to buy lunch on the site.

I hope you can support us in giving your child this great opportunity to participate in an inspirational science event. Do not hesitate to contact me should you require any further information.

Yours faithfully

Mr S.Martin
Teacher of Physics and Science
