3rd February 2020

Dear Parent/Carer

We have recently reviewed our safeguarding procedures for allowing spectators onto the school site for sporting fixtures.

While we recognise that it is both a great support to our boys and a pleasure for their parents and carers to have support during fixtures, we need to balance this with ensuring that we follow best practice in terms of safeguarding and ensure that we minimise any potential risks to our student body.

For this reason, please note that we will no longer allow spectators onto the school site until 3:40pm. We welcome parents and carers onto our site after this time and ask that you remain in the allocated spectating area at all times.

Yours faithfully
