What is Class Charts for parents?

You will be able to use Class Charts to keep track of your child's [behaviour](#), view [attendance](#) records, access their weekly [timetable](#), view assigned [homework](#) tasks, track scheduled [detentions](#) and view announcements from their school.

If you have more than one child, you can access Class Charts information about your children from a single, centralised parent account.

Class Charts for parents can be accessed via our [website](#), or through our [iOS](#) and [Android](#) apps.

You will receive a [Parent code](#) from your school, which will look similar to the example code shown on the right.

This code is used to set up your [Class Charts parent account](#), which is covered on the next page.

4. A [confirmation message](#) will appear, indicating that the sign up process is complete. [Verify](#) your email address to continue.

Behaviour

Selecting the **Behaviour** tab will display multiple graphs which represent an overview of your child's **achievement** and **behaviour** data within a **customisable timeframe**.

By default, the displayed date range is **31 days**. To view a different range of behaviour data, click on the **Date** button to select from the available presets or create your own custom date range.

Homework

Selecting the [Homework](#) tab will display a list of [homework tasks](#) which your child has been assigned to.

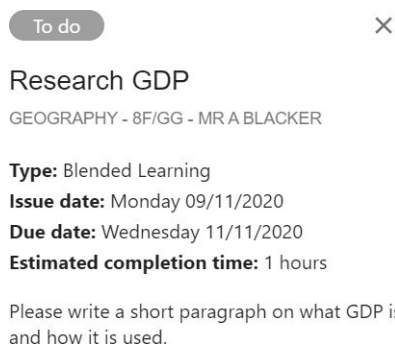

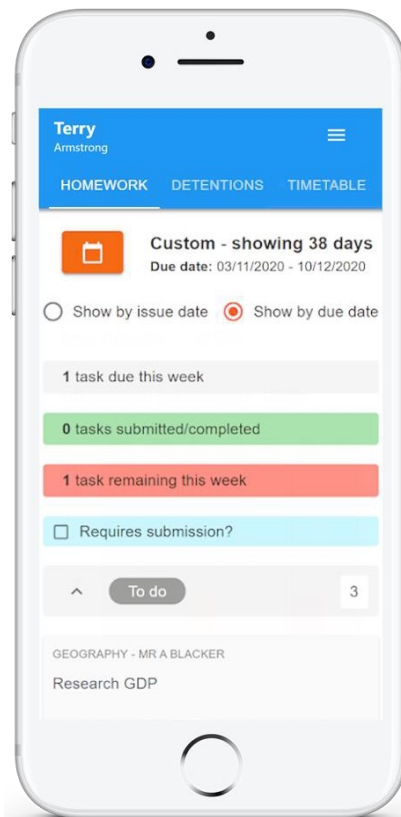

To change the date range for displayed homework tasks, click on the [Date](#) button to select from the available presets or create your own custom date range.

To display tasks in the order they were set, click on the [Issue Date](#) button

To display tasks in the order they are expected to be handed in, click on the [Due date](#) button.

To view a homework task in more detail, click on the [expand](#) icon in the bottom right hand corner of the homework tile.

A popup will appear that contains the a [description](#) of the homework task, the [estimated completion time](#) and any [links](#) or [attachments](#) that may have been included.

Keeping track of homework

As your child is assigned homework tasks, you may want track of how they are progressing for the current week.

The [three banners](#) above the homework status categories count the number of homework tasks that are [due this week](#), how many of those tasks your child has [completed](#) and how many tasks they [still need to complete](#).

To only see homework tasks that require an [attachment submission](#), tick the checkbox labelled [Requires submission](#).

1 task due this week

Detentions

Selecting the [Detentions](#) tab will display a list of [detentions](#) which have been set for your child

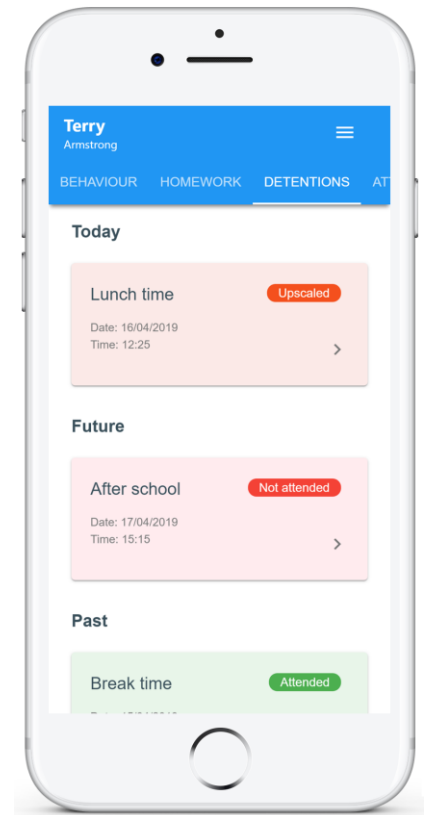

Detentions fall under 4 categories: [Attended](#), [Not attended](#), [Pending](#) and [Upscaled](#).

Attended: Your child has sat this detention.

Not attended: Your child did not sit this detention.

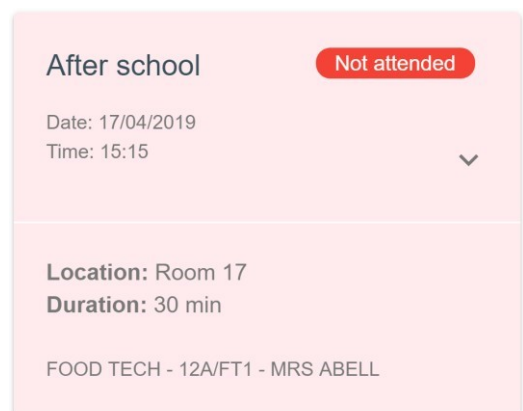

Pending: This detention has not been sat yet.

Upscaled: Your child's detention has been escalated into another type of detention.

To view more information about a specific detention, click on the [arrow](#) icon.

This will bring up a popup that describes the detention, including the [location](#) for the detention, the awarding [teacher](#) and [scheduling information](#).

Attendance

Selecting the [Attendance](#) tab will present you with a table of your child's [attendance](#) data for the past [31 days](#).

To change the displayed timeframe of attendance records, click on the [Date](#) button and select the date range of your choice.

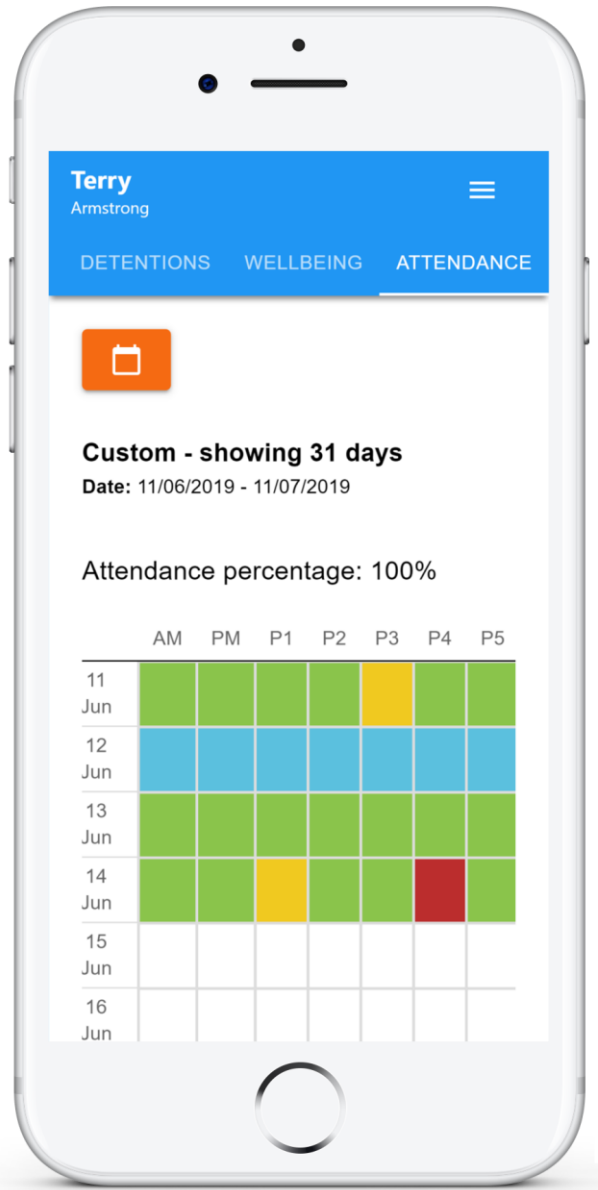

Attendance records fall under four categories: [Present](#), [Late](#), [Authorised absence](#) and [Unauthorised absence](#).

Present: Your child attended the lesson.

Late: Your child was late to the lesson.

Authorised absence: Your child did not attend the lesson, but had a valid reason for doing so.

Unauthorised absence: Your child did not attend the lesson and did not have a valid reason to do so.

Absences

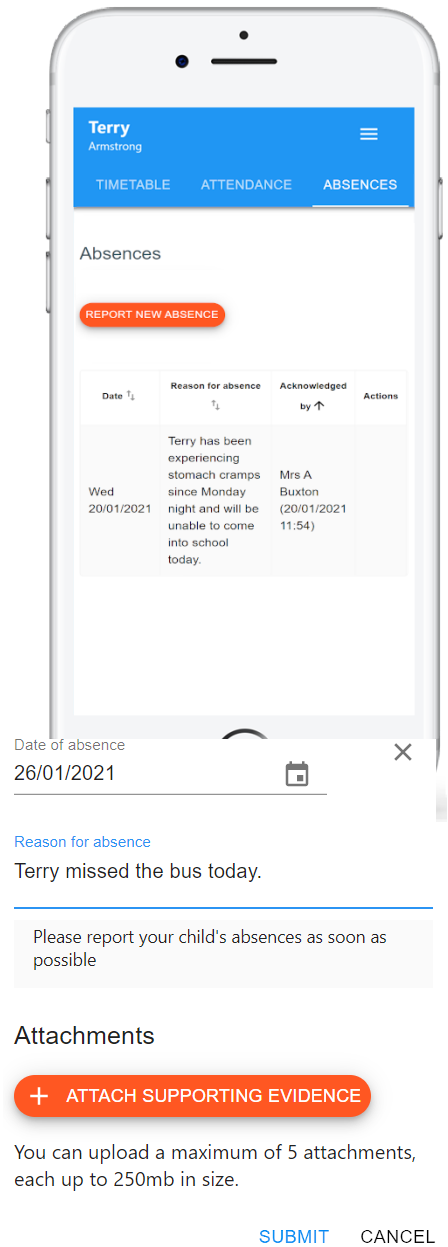

Selecting the [Absences](#) tab will display a list of [absences that you have reported](#), once you have reported them. This includes [when](#) the absence took place, the [reason](#) for the absence and who [acknowledged](#) your absence report.

To report an absence, click on the [Report new absence](#) button.

Next, enter the details of the reported absence into the [form](#) provided.

You can also include up to 5 [files](#) in your absence report as [supporting evidence](#). To do this, click on the [Attach supporting evidence](#) button and select the files of your choice.

Click on the [Submit](#) button to send your pupil's absence report to their school. The absence can be [edited](#) and [deleted](#) until it has been [acknowledged](#) by a teacher.

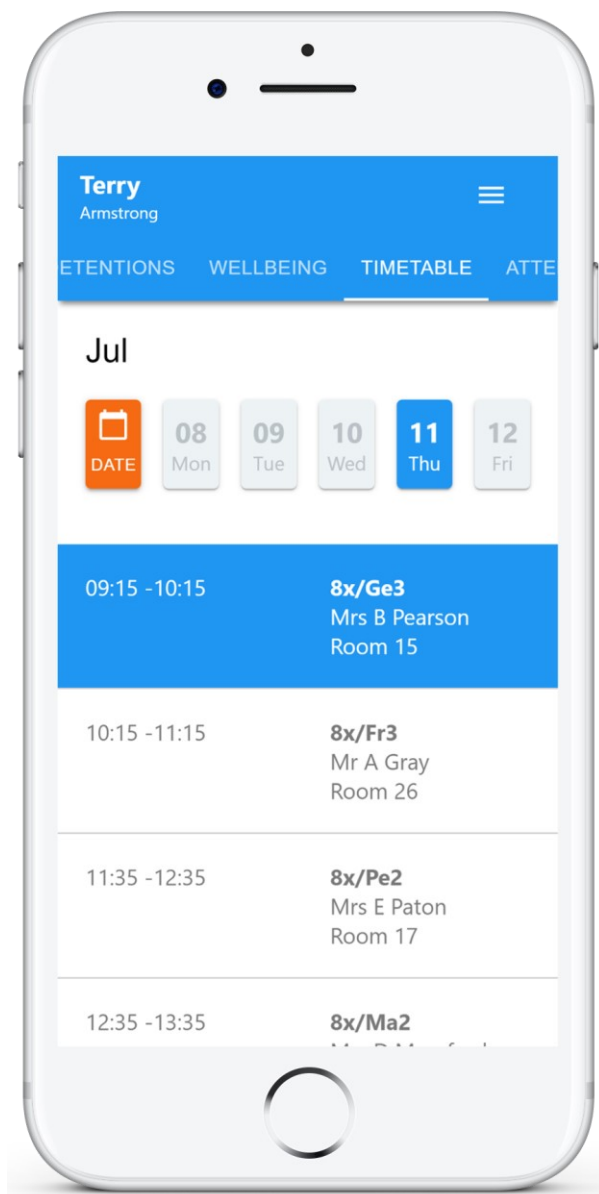

Timetable

Selecting the **Timetable** tab will present you with your child's **timetable** for the current day. This includes the **time** of each lesson, the **lesson name**, the **teacher's name** and the **room** where the lesson will take place.

Your child's current lesson will be highlighted in **blue**, as shown on the right.

To view timetable data for another day of the week, click on one of the other **displayed dates** along the top of the timetable.

To change the displayed week, click on the **Date** button and select a date from the week of your choice

Announcements

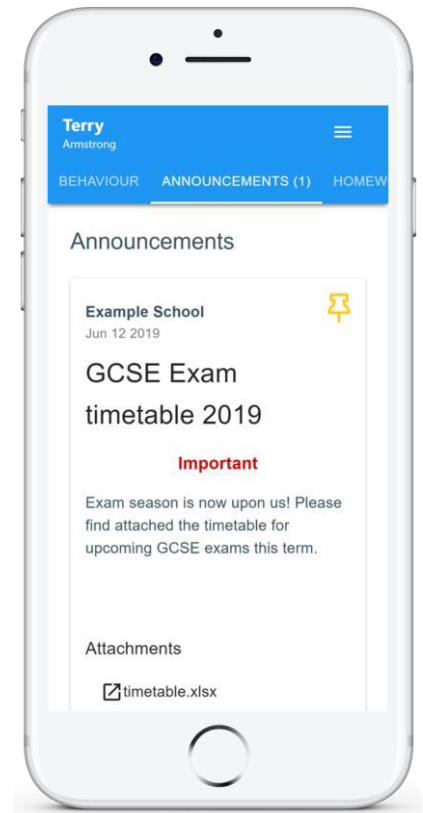

You will see the [Announcements](#) tab when viewing pupils from that school.

Selecting this tab will display a list of [announcements](#) that have been shared with you regarding the selected pupil.

Announcements with a [pin](#) icon will always stay at the top of the announcements list.

If you are viewing announcements from the main parent dashboard, click on the [X](#) icon in the top right hand corner of an announcement to dismiss it.

Dismissed announcements can be viewed again in the pupil's individual [Announcements](#) tab.

Logging in to Class Charts

Once you have signed up to Class Charts, you can log back into your parent account at any time.

1. Select [Log In](#) from the main page and enter your [email address](#) and [password](#) into the fields provided.

4. A [confirmation message](#) will appear and the child will be added to the pupil icon popup.

Switching between pupils

If multiple children have been set up on your Class Charts parent account, you are able to switch between them and view child specific data at any time.

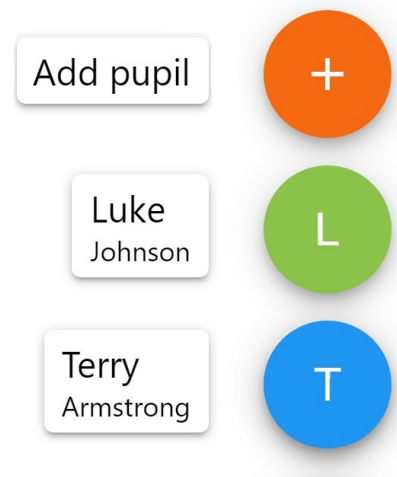

To switch between pupils on the desktop view, click on their [name](#) in the left hand side menu.

Their individual pupil dashboard will open on the first entry in the list. You can then switch between tab categories by clicking on the available icons in the list.

You can check to see which pupil is currently selected by looking for the [orange tab](#) highlighting their name in the left hand side menu.

To switch between children on the mobile app, click on the [Pupil](#) icon in the bottom right hand corner of the app and select the child of your choice.

Their individual pupil dashboard will open, allowing you to swipe between their available tabs.

Account settings

If you're using the desktop view, you can access the account settings menu through the [Settings](#) button in the top right hand corner of the page.

If you're using the mobile app, these options can be accessed through the [three lines](#) menu in the top right hand corner.

The [Change password](#) page allows you to enter a new password for your Class Charts parent account.

The new password must be a minimum of [8 characters](#) long, but we also recommend including an [uppercase](#) letter, a [lowercase](#) letter, a [number](#) and a [symbol](#).

The [Account details](#) page allows you to change the displayed name on your Class Charts parent account and the email address used to log in and receive notifications.

If you no longer wish to use your Class Charts parent account, click on [the Delete Account](#) option to permanently delete it. Should you change your mind, you will need to sign up again using the [parent code](#) provided to you by your school.
