

# Protecting your Professional Reputation

## “The Nevers”

Never give personal contact details to pupils or communicate outside of school using social networks, email, text, twitter etc or meet a young person out of school unless part of a planned school activity with the knowledge of your Line Manager.

Never have conversations on social networking sites that make reference to children, parents or other colleagues at the school or be derogatory about the school.

Never make any statements or post images on social networking sites that might cause someone to question your suitability to act as a role model to young people or bring your own or the school’s reputation into disrepute.

Never communicate with parents through social network sites and you are strongly advised to declare any existing friendships/relationships to your Line Manager.

Never use personal equipment to photograph children (always use the school’s equipment) and ensure any photographs are only stored on the designated secure place on the school’s network and not on portable equipment.

Never use your personal mobile phone in areas used by children unless in emergencies or under an agreed protocol set out by the Headteacher.
